21. Experience the timeless elegance and romance of Paris with **ELLÉTTE CANDLES**. Inspired by the city's stunning beauty, their candles are crafted with natural ingredients and exquisite perfume oils to capture the essence of Paris. Committed to ethical and eco-friendly practices, their candles are made with sustainable coconut wax. Visit ellette.com and follow @ellettecandles on Instagram.

22. **DUCK RAGU** is a design studio based in Melbourne, Australia. Combining traditional and modern stained glass techniques, each piece is handcrafted by artist Poppy Templeton. Her glass forms play with line, colour and light, using vintage glass and mirrors to create art objects that are as functional as they are decorative. Find out more at duckragu.com and follow @duckragu on Instagram.

23. **PIXIE ROSE FLOWERS** provide floral design, planning and styling services in the beautiful countryside of East Lothian, with high street shops where you can pop in to pick a natural and seasonal bouquet. Sister store, Pixie Rose Edinburgh is situated in one of Edinburgh's most exciting luxury hotels in the heart of the Old Town. Pixie Rose likes to support local growers where possible and always creates something a bit different to add a touch of beauty and joy to your day. Visit www.pixieroseflowers.co.uk and www.pixieroseedinburgh.co.uk and follow @pixieroseflowers and @pixieroseedinburgh on Instagram.

24. **ARTISAN** specialises in the manual production of high quality furniture made from solid wood, and this insistence on manual handcrafted work is what sets Artisan apart. Visit artisan.ba and follow @artisanlovewood on Instagram. Find them at HEALS in London.

25. **THE WAVERLEY CANDLE COMPANY** is making plastic-free, eco-friendly soy wax candles and melts for your home. Their plastic-free Coconut Lime snap bar's packaging is made from vegetable starch, by XOandQuin. Its unique blend of zesty lime and creamy coconut creates a truly exotic scent. Find out more at thewaverleycandlecompany.myshopify.com and follow @thewaverleycandlecompany on Instagram.

26. **ATELIER DUYI HAN** is an award-winning studio specialising in avant-garde aesthetic research and design. Chinese artist Duyi Han creates art and collectible objects as neuroaesthetic prescriptions that engage with art history, cultural charisma, psychology, and emotion. Visit www.duyihan.com and follow @duyi.han on Instagram.

27. **MOUTIFE** is a Scandinavian art gallery offering a curated selection of art photography for the 21st-century art collector. Affordable fine art, from established and emerging artists.
